Mission Statement

Reach Christian School exists to help students reach for Godliness, success, and a love of learning.

Statement of Purpose

The founders of Reach Christian School believe that parents are primarily responsible, with the assistance of the church, to teach their children in the Christian faith, its virtues, and the morals of life. It is the job of RCS to stand beside the parents and church in this responsibility while fulfilling its primary goal to prepare students for life through its academic endeavors. It is our goal to provide instruction from an Anabaptist-Mennonite perspective. The school shall:

- A. Offer a Christian education centered around God's Word and its applications to life.
- B. Cultivate appreciation, loyalty, and respect for the Christian home, church, and other authority figures.
- C. Equip teachers to model Christ-like character while demonstrating and cultivating a love of learning.
- D. Promote the need for Godly character and service to God.
- E. Nurture respect, love, acceptance, and compassion to all people of all races and backgrounds.

Statement of Faith

1. **Bible** - We believe the Holy Bible is the Word of God. It is authentic in its matter, authoritative in its counsel, inerrant in its original writings and the only infallible rule for faith and practice.
2. **God** - We believe in the one triune God (Father, Son and Holy Spirit) who is eternal, infinite, holy, omniscient, unchanging, omnipotent, and omnipresent. He is both love and a consuming fire.
3. **Creation** - We believe that the Genesis account of creation is an historic fact and literally true and all creation is sustained by God.
4. **Fall** - We believe man was created in the likeness and image of God as a crowning work of the Creator in a state of purity, but by disobedience is now fallen into a lost estate of sin and death from which only God can save.
5. **Savior** - We believe that the Lord Jesus Christ is the Son of the Living God; that he was born of a virgin and lived among men; yet without sin; that He became the Lamb of God to take away the sin of the world by His death on the cross, that all who believe in the atoning work of His shed blood and the power of His resurrection shall have everlasting life and that He is now ascended to glory and intercedes for the believer.
6. **Holy Spirit** - We believe in the deity and personality of the Holy Spirit; that He is the comforter for believers to guide them into all truth and to empower them for a life of righteousness and service.

7. **Church** - We believe the church is the body of Christ composed of all those who through repentance toward God and faith in the Lord Jesus Christ are baptized with the Holy Ghost. The church is to preach the gospel of salvation through Jesus Christ to all humankind and to teach all the commandments of the Lord.
8. **Ordinances** - We believe the New Testament ordinances are for the Christian: that baptism be administered upon confession of faith; that communion be observed literally as a memorial of Christ's suffering and death; that feet washing be observed literally as an expression of Christian servanthood; that the Holy Kiss be practiced as an expression of Christian love; that the Christian woman be veiled; that anointing of oil be administered to the sick for healing, to those who call for it in faith; and that marriage be the union of one man and one woman for life, with Christians marrying "only in the Lord."
9. **Authority** - We believe order is the primary rule for blessedness. The Lord has given the church the keys of the Kingdom of Heaven. He has given the state the right to suppress evil. He has given parents authority in the home, with fathers as the head. Christian people are obliged to honor and respect all due authority and to show love toward all men. We believe it is the Christian's duty to pray for and honor those in authority and that Christ's disciples are to refrain from violence and force in human relations.
10. **Satan** - We believe that Satan is the personal enemy of God: that he is the deceiver of mankind, and that he is at work promoting evil and seeking to draw away from God.
11. **Hope** - We believe that the Lord Jesus Christ arose from the grave bodily and that He will return in person to receive us to Himself as well as all those who have fallen asleep in Christ.

12. **Marriage-** We believe God designed marriage to be a permanent, sacred bond, between one man and one woman, terminated only by death. Remarriage after divorce constitutes adultery and comes under the wrath of God. All sexual relationships and activity outside the confines of marriage are considered perversions of God's design and thus sinful.
13. **Consummation** - We believe the Lord will judge the devil and banish him to hell along with all the unrighteous, but the Lord will gather the righteous into His eternal presence to dwell with Him in fullness of joy forever more

This statement of faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of Reach Christian School's faith, doctrine, practice, policy, and discipline, the board of directors is RCA's final interpretive authority on the Bible's meaning and application.

Breakthrough

Reach Christian School works hard to help students with learning disabilities. The school calls its special education classroom “Breakthrough” because it exists to help students break through their learning difficulties. Students who are struggling to read at grade level are placed in a remedial program.

The Breakthrough classroom also provides one-on-one tutoring for students who need extra help.

Attendance

Good school attendance is an important step in a student doing well in his studies. While doing make-up work takes care of homework missed, it does not entirely compensate for classroom attendance.

School Day

School begins at 8:20 AM each day. Students may arrive at school from 8:00 – 8:18 AM.

Dismissal is at 3:00 PM on Monday through Thursday and at 2:00 PM on Fridays.

Absences and Tardies

Tardy = Any absence that the student is absent for 1 hour or less.

½ Absence = Absent between 1 – 3 ½ hours in a school day.

Absence = Absent for more than 3 ½ hours in a school day.

Reach Christian School excuses the following absences and tardies:

1. Sickness
2. Doctor and Dentist Visits
3. Weather Conditions/State or national emergencies
4. Family Emergencies

For planned doctor appointments, please inform the homeroom teacher a couple days ahead via text, email, or note with student. For sickness and other emergencies, please text/call the teacher as soon as possible.

For any other absences, families are required to fill out a request form and have it approved by the administrator. Request forms are available at the school office, and should be submitted at least 1 week before absent dates and further ahead for an extended absence period.

Student's may be asked to complete a report when returning. Trips generally will not receive approval during the first or last two weeks of school. Parents are asked to use discretion when planning family trips during the school term.

Lifestyle Expectations

The school supports parents in helping students develop self-discipline, respect for their peers, and respect for those in authority. Teachers are expected to set up rules for their classrooms that are consistent with the goals and philosophy of the school. When there is a conflict between a teacher and student, the teacher will use redemptive correction so that the student makes the necessary change of conduct and all guilt is removed.

Discipline Categories

Below are listed common categories of behavior that result in discipline being administered:

- Food/Drink – chewing gum or eating/drinking without permission
- Dress Code – students dressed in a manner not in accordance with the dress code
- Hallway – running, disturbances, loitering, or walking around without permission
- Language – disrespectful or inappropriate speech
- Procedures – refusing to follow directions or not cooperating
- Talking – speaking without permission or at an inappropriate time
- Tardy – arriving late to a class or activity
- Trespassing – accessing other student or teacher spaces or belongings without permission

Personal Conduct

Since Reach Christian School represents Jesus Christ, it is important that a high standard of conduct be maintained. These guidelines can be effective in building a strong, moral character that reflects godliness when used consistently in the school and at home. When there are infractions of these guidelines, the teacher will address the student with correctives measures and seek for remorse. If the issue reoccurs or is not corrected, administration will get involved along with parent communication. In the event there is continued infractions or an uncooperative spirit from students and parents, expulsion or dismissal can be expected.

Respect

- Students are expected to promptly and cheerfully obey all authority.
- Students are expected to show courtesy and respect for other students, teachers, and visitors in their cooperation with each other.
- Students are to address all faculty and school staff by title and last name.
- Students must regard the desks, lockers, and personal belongings of teachers and other students as private property and are not permitted to remove or use objects, computers, or other equipment on/in a teacher's desk.

- Physical, sexual, and verbal abuse will not be tolerated. Any form of bullying or intimidation will not be tolerated. The school reserves the right to discipline a student for actions taken off-campus that adversely affect the safety of other students.
- Students are expected to choose words that are helpful for building each other up. Improper speech, name-calling, and gossip are not acceptable. Obscenity in words or action or lauding in any way those things which are condemned by Scripture is not acceptable.
- Students are asked to highly regard the safety of others.

- Teasing or disrespectful comments to each other about boyfriends/girlfriends are not permitted.

Health Requirements

Immunizations & Examinations

All students entering Reach must provide an official immunization record documenting that PA state requirements have been met.

A physical examination by a physician is required for students entering school (Kindergarten or Grade 1) and for students entering Grade 6.

A dental exam is required for students entering school (Kindergarten or Grade 1), Grade 3, and Grade 7

Health Screening

The school secretary arranges for students to have their ears and eyes tested once a year. Parents are informed of all these testings and may receive referral notices if the child needs.

Medications

Non-prescription Medications

Reach Christian School keeps Advil, Tylenol, and Pepto-Bismol on hand to dispense to students with aches and pains. Parents need to sign a waiver form to allow the school to do this. Non-prescription painkillers will not be dispensed if a waiver has not been signed.

Prescription Medications

Parents of students who need prescription medications administered while the students are at school need to inform the school's administration about how to properly administer the medication. The medication will be kept in the school office and will be administered by a staff member.

Allergies

Parents need to inform the school of any allergies students may have. The school will keep this on record and do its best to keep the students safe.

Parent Expectations and Opportunities

New Year Orientation

All families are asked to attend an Orientation Meeting held each year a couple days before the start of school. This meeting will include an introductory of the staff, provide the administrator and board opportunity to share expectations for the coming school year, and provide opportunity for parents to have questions answered and visit their child's classroom.

Parent-Teacher Fellowship (PTF)

Reach Christian School holds two PTFs each year at the end of quarter 1 and quarter 3. These are scheduled to coincide with the ends of the marketing periods and will provide opportunity for parents to meet with their children's teachers and interact with other patrons. PTFs are important, so parents are encouraged to make them a priority.

Parent-Teacher Conference (PTC)

Meetings between the teachers and patrons will be scheduled around the end of the 2nd quarter. These meetings will be scheduled with each student's teacher.
